- B.C.A • B.B.A • B.Com
- B.Com (AI)\* • B.Com (CA)

#### Undergraduate— Arts

- B.A. English • B.A. History

#### Undergraduate— Science

- Physics • Chemistry • Zoology
- Mathematics • Microbiology
- Computer Science
- CS (AI & DS) • CS (Cyber Security)
- Clinical Lab Technology

#### Undergraduate—Creative & Design

- Textile & Fashion Designing
- Textile & Fashion Designing (AI)\*
- Visual Communication
- Visual Communication (AI)\*

#### Postgraduate

- M.A. English • M.A. History
- M.Sc. CS • M.Sc. CS (DA)
- M.Sc. Maths • M.Sc. Chemistry
- M.Sc. Zoology • M.Com
- M.C.A

2 yrs

#### Research – Ph.D

- Zoology • Tamil • Chemistry

### College of Education

B.Ed Programme

14 specializations – preparing the next generation of educators

- Tamil
- English
- Physics
- Chemistry
- Mathematics
- Computer Science
- Botany
- Zoology
- History
- Social Science
- Commerce
- Microbiology
- Political Science
- Economics

## Fees, Scholarships & Recognitions

# Investing in Your Future

**"Humans are Principals", "AI is an Agent"**

Our Learners don't just use AI — they learn to direct it. Every program develops critical thinking first, then introduces AI as a tool that amplifies human judgment.

## OUR TRAINING PARTNERS

## Facilities@JKKN

## More Than a Campus. A Launchpad.

JKKNers don't just attend sessions —  
they build apps,  
lead councils,  
run hackathons,  
and launch careers before they graduate.

### "Learners' Council"

- ★ A learner-driven governance body nurturing leadership, discipline, and holistic development.
- ★ Rooted in the Founder's enduring values of service and integrity, the Council promotes contemporary, technology-enabled learning practices.
- ★ Through AI hackathons, cultural programs, leadership forums, and community engagement, the Council empowers Learners to emerge as confident leaders, ethical professionals, and socially responsible citizens.

## Where Learners Become Leaders

At JKKN, we don't just integrate AI into education — we reimagine what education means in the age of intelligence. Every Learner develops the judgment to direct AI, not just use it.

### #1 in the World — Global AI Campus Leaders 2026

Beat 100+ institutions from 20+ countries • 21,858 votes — highest globally

JKKN won ₹1 Crore worth of ChatGPT-sponsored AI tools from Lovable, and is the only college group in India with 100% Google Gemini Pro accounts (worth ₹20K/year per Learner). 1,500+ Learners across all 6 colleges — from Pharmacy to Engineering — built real applications using AI in just 60 minutes each.

### Campus-wide MATLAB

120+ industry toolboxes,  
AI Copilot, and unlimited access  
for every Learner.

## ABOUT US:

Established in 1952 by the visionary **Kodai Vallal Shri J.K.K. Natarajah**, our institution was founded with a resolute commitment to advancing girls' education. This noble vision led to the establishment of the J.K.K.Rangammal Trust in 1969, with a steadfast mission to empower women through literacy, education and social upliftment.

Today, the Trust administers a diverse and integrated ecosystem of educational institutions, encompassing colleges of Dental Sciences, Pharmacy, Nursing, Allied Health Sciences, Education, Engineering, and Arts & Science, along with a Government - Aided School, a Matriculation School and Nattraja Vidhyalaya. Complemented by impactful healthcare initiatives and comprehensive scholarship programs, JKKN continues to serve as a catalyst for inclusive growth and social transformation.

Under the esteemed leadership of **Smt. N. Sendamaraai**, Chairperson and the dynamic stewardship of **Shri S. Ommsharravana**, Managing Director, the institution remains unwavering in its pursuit of academic excellence, innovation and empowerment for all.

## WHY JKKN:

At JKKN, we stand at the forefront of educational innovation as India's First AI-Empowered Institution. We envision a future where artificial intelligence seamlessly augments traditional learning models, fostering critical thinking, creativity and real-world problem-solving. By integrating AI across disciplines, we deliver a future-ready educational experience that equips Learners with the digital competencies, adaptability and leadership skills required to excel in a rapidly evolving global landscape.

### AI & Innovation Hackathons

Regular hackathons where Learners build real solutions using Claude, Lovable, Gemini & more.

### Leadership Summit

Annual summit with industry leaders, entrepreneurs, and JKKNers for cross-disciplinary learning.

### Entrepreneurship Lab

AI-powered process consulting and startup incubation through Nattraja Incubation Forum (NIF).

### Multi-Disciplinary Town Halls

Cross-college sessions — because real-world problems don't fit in one department.

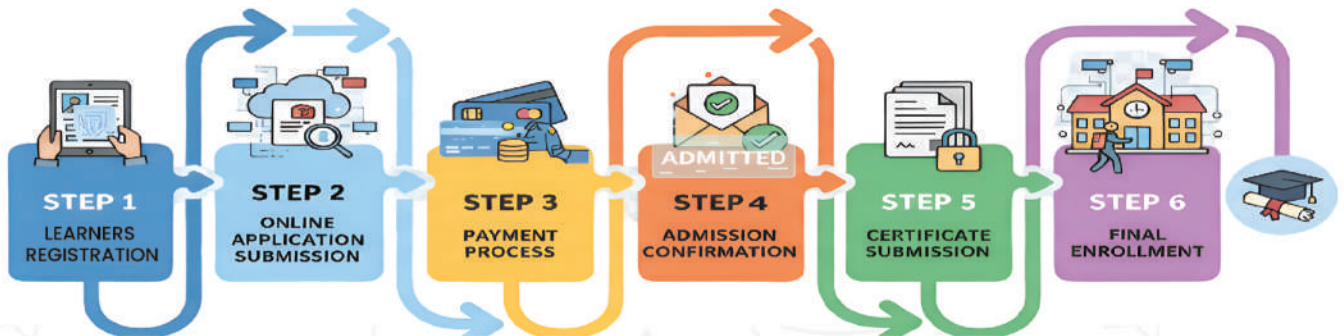

### Career Mentoring

Personalized career guidance, LinkedIn webinars, and industry mentorship from Day 1.

### LinkedIn Webinars

Professional skill-building sessions and digital presence training for career readiness.
